## MASSACHUSETTS Law of Self-Defense

September 15, 2023  
Time: 5:30 PM - 9:30 PM  
Fee: \$60.00

*“The law of self-defense can be counter intuitive.”*

Whether it is with fists, pepper spray, or a firearm you have a right to legally defend yourself or innocent others. However, your self-defense must conform to the legal standards required by Mass. state statutes, case law, common law and jury instructions.

If you are required to defend your self with force your second fight will be the legal fight.
