NRA Home Firearm Safety Class (MA State Police LTC-007)

The Haverhill Hound Rod and Gun Club sponsors the NRA Home Firearm Safety Class on the third Saturday of every month from 10:00 am to approximately 3:00 pm. Known as LTC-007 by the MA State Police, it is an approved safety class when applying for your LTC (license to carry firearms). All proceeds from the class go to help support the club.

We limit the class to 10 students so that we can cover the required material in the allotted time, and give everyone plenty of time to ask questions. Live fire is included.
